

Personal Financial Statement

INSTRUCTIONS: (read before completing this statement) Regardless of your marital status, you may apply for credit in your name alone.

If you are applying for credit in your name alone or with a person other than your spouse, complete this statement and sign on

If you are married and not separated and are a resident of California. Information about your spouse must be provided and the Consent to gather Credit information must be signed by your spouse. If you apply for credit jointly with your spouse, you and your spouse are to complete this statement and sign on the reverse.

If you are married and not separated, and unless you indicate otherwise, all income and assets will be presumed to be community property and all debts will be presumed to be liabilities of community property.
